Hi All,

I just initialed and dated (concurred) for Mark (with comments in redline). However, I'm not sure if my comments were saved correctly within the e-routing system. So I'm attaching the draft here with my redline comments. The main change I made includes prepayment language I got from Janice Linett at OECA on another RI/FS AOC I've been working on (US Oil Recovery) that includes the correct payment address. I'm copying Doretha to make sure she sees it (Paragraph 78).

Also, the RPM should still provide an estimate of the cost of the work to be inserted in the blank space on Paragraph 98.
